(*Government Order No. D.* 12065—*Uni.* 299-27-2, *dated the* 10*th May* 1928.)

Notification No. 18202, *dated the* 16*th May* 1928.

Ordinance 67 (Page 4 of the Supplement to Vol. I of the Calendar for 1926-27) has been amended as under :—

Add the following as a separate para between "A. Intermediate Examination in Engineering" and "B. Final Examination in Engineering":—

"Candidates who have passed the B. A. or the B.Sc. Degree Examination in Chemistry or Physics or in both shall not be required to attend the lectures, Practical classes and examinations in such of these subjects as they have already taken for their B.A. or B.Sc. Examination. Such candidates shall be given the same percentage of marks as they secured in the B.A. or the B.Sc. Degree Examination.

(*Government Order No. D.* 11968—*Uni.* 305-27-2, *dated the* 8*th May* 1928.)

Notification No. 18208, *dated the* 16*th May* 1928.

The following is the minima prescribed for a pass in the M. A. and M. Sc. Degree Examinations in Mathematics :—

(*a*) A candidate shall be declared to have passed the examination for the Degree of Master of Arts in Mathematics if he obtains not less than 30 per cent of the total maximum number of marks in the Compulsory Group, not less than 30 per cent of the total maximum number of marks in the optional Group, not less than 40 per cent of the total maximum number of marks for the whole examination.

Such of the successful candidates as obtain not less than 60 per cent of the total maximum number of marks shall be arranged in order of merit in the First Class, those who obtain 50 per cent or more, but less than 60 per cent, shall be arranged in order of merit in the Second Class and the rest shall be arranged in alphabetical order in the Third Class.

(*b*) A candidate shall be declared to have passed the examination for the Degree of Master of Science in Mathematics if he obtains not less than 30 per cent of the total maximum number of marks in the Compulsory Group, not less than 30 per cent in each of the two divisions of the Optional Group and not less than 40 per cent of the total maximum number of marks for the whole examination.

Such of the successful candidates as obtain not less than 60 per cent of the total maximum number of marks shall be arranged in order of merit in the First Class, those who obtain 50 per cent or more, but less than 60 per cent, shall be arranged in order of merit in the Second Class, and the rest shall be arranged in alphabetical order in the Third Class.

(*G. O. No. D.* 12064—*Uni.* 300-27-2, *dated the* 10*th May* 1928.)

Notification No. 18390, *dated the* 19*th May* 1928.

The following are the rules of admission to the University as passed by the Senate and sanctioned by Government in their Order No. D. 12431-2—Uni. 323-27-2, dated the 17th May 1928:—

No one will be admitted to the Junior Intermediate Class unless he has

(1) passed the Mysore S. S. L. C. Examination and been declared eligible by the University for admission to College Courses of study.

Or

(2) passed the Matriculation Examination of an Indian University or any other examination recognised by the University as equivalent thereto.

Notification No. 18250, *dated the* 17*th May* 1928.

The following minima have been prescribed for a pass in the Intermediate in Arts and the Intermediate in Science Examinations:—

I. No candidate shall be declared to have passed the Intermediate Examination in Arts and the Intermediate Examination in Science unless he obtains not less than 40 per cent of the total number of marks in English, 35 per cent in the Second Language and 35 per cent in the whole group of optional subjects, and also not less than 30 per cent in each of the subjects of the Optional Group and, in the case of the Intermediate Examination in Science, not less than 35 per cent in Compulsory Mathematics.

No candidate shall be declared to have passed the Intermediate Examination in Science (leading to Medicine) unless he obtains not less than 40 per cent in English, 35 per cent in Mathematics and 35 per cent in the written examinations in Physics, Chemistry, Zoology and Botany, 35 per cent in the Practical and *viva voce* examinations put together in each of these subjects, and 50 per cent of the aggregate number of marks in these last four subjects.

No candidate shall be declared to have passed the Intermediate Examination in Science (leading to Engineering) unless he obtains not less than 40 per cent of the total number of marks in English, 35 per cent in the Second Language, 35 per cent in each of the Optional Subjects and 50 per cent of the aggregate in the Science subjects including Mathematics.

II. Such of the successful candidates as obtain 60 per cent or more of the total maximum number of marks shall be arranged in order of merit in the First Class, those who obtain 50 per cent or more, but less than 60 per cent, shall be arranged in order of merit in the Second Class, and the rest shall be arranged in alphabetical order in the Third Class.

This Rule shall apply to the Intermediate Examination in Arts, Intermediate Examination in Science and Intermediate Examination in Science (leading to Medicine).

The above Rule will be made applicable to the Intermediate Examination in Science (leading to Engineering).

Government Order No. D. 12221—*Uni.* 304-27-2, *dated the* 14*th May* 1928.

Notification No. 18247, *dated the* 17*th May* 1928.

The following resolution passed at the meeting of the Senate held on the 4th and 5th April 1928 and approved by Government in their Order No. D. 11971—Uni. 301-27-2, dated the 8th May 1928 is published for information:—

"That candidates for the M.B.B.S. and L.M.P. Examinations who fail shall be required to produce evidence of further study in the subjects in which they appear at a subsequent examination, a second course in Physics, Inorganic Chemistry, Zoology, Botany Hygiene and Forensic Medicine being optional."

Notification No. 18252, *dated the* 17*th May* 1928.

The following resolutions passed at the Senate Meeting held on 4th and 5th April 1928 and sanctioned by Government in their Order No. D. 12226—Uni. 303-27-2, dated the 14th May 1928:—

1. That candidates for the Intermediate Examination in Science proceeding to a Degree in Engineering shall be required to undergo practical examinations in Physics, Chemistry and Geology.

2. That candidates for the Intermediate Examination in Science proceeding to a Degree in Medicine shall be required to undergo practical and *viva voce* Examintations in all Science subjects, *viz.*, Physics, Chemistry, Botany and Zoology.

B. M. SRIKANTIA,
Registrar.
